

# Decon Solutions

completing the compliance puzzle

## Decontamination Training Programme

**Duration:** 2 Days

**City & Guilds** | **Accredited Programme**

**Venue:** Customer's own site

**Programme Dates:** Specific to Customer Sites (through individual customer choice)

**Accreditation Status:** City & Guilds

**Assessment Method:** End of Training Programme Test

***“Staff are trained in cleaning and decontamination processes and hold appropriate competences for their role.”***

***Ref: UK Health and Social Care Act***

### **The Training Programme Covers:**

The compliance requirements of decontamination services, it covers all aspects of up to date decontamination systems and processes together with the specific mandatory compliance details. This training programme is intended for all levels of staff involved with the managing and practicing of decontaminating re-usable medical devices. The programme allows participants to have in-depth knowledge and understanding about their impact and contribution to patient safety and the mandatory compliance requirements of the departments and services they work in.

### ***Previous Delegate Comments:***

***“Very good course and relevant to my local processes.”***

***“Very informative, but intense.”***

***“Highly informative course. The trainer was very encouraging and delivered the training in a clear format”.***

***“Excellent training, which I would recommend to any member of staff, who are undertaking any decontamination”***
