

Leeds Teaching Hospitals NHS Foundation Trust

A huge thanks to Decon Solutions for the support and professional service that you have provided to us since February this year. The quality of service provided and level of understanding that you gave us, has been a major contribution towards our success.

I would wish to pay particular thanks to Martin in terms of the quality of the training and his interaction with LTHT staff, it has been hugely successful, and we certainly have reaped the rewards.

Without wishing to continue for too long with the superlatives, but I don't think we could have selected a more suitable partner to help us on this journey.
